2. ACE, manufactures, offers to sell, and sells, without authorization, either express or implied, from COMFORT RESEARCH, a chair in direct violation of The Federal Patent Act.
3. COMFORT RESEARCH seeks injunctive and monetary relief to the fullest extent possible under The Federal Patent Act, as well as any such other relief as

BACKGROUND

8. COMFORT RESEARCH is, among other things, a world leader in the innovation, design, and manufacture of frameless furniture. COMFORT RESEARCH manufactures, distributes, and sells its frameless beanbag chairs, loungers, loveseats, and pet beds to companies and end users around the world.

9. COMFORT RESEARCH is actively philanthropic both locally and nationally – donating thousands of chairs, as well as proceeds from the sales of chairs, to organizations such as Grand Rapids Urban Oasis, The Wounded Warrior Project, Sunshine on a Ranney Day, the Children's Hospital of Los Angeles, and East Jefferson YMCA of New Orleans – just to name a few.

10. Prior to April 9, 2015, Daniel C. George II, Matthew Jung, and Jean Joseph conceived of a new frameless chair.

11. On November 8, 2016, the United States Patent and Trademark Office duly and legally issued U.S. Design Patent No. D770,792 S ("the '792 patent"), entitled "Chair" to Daniel C. George II, Matthew Jung, and Jean Joseph. (See Exhibit A.)

12. All rights in the '792 patent have been assigned to Comfort Research, LLC.

13. Comfort Research, LLC is the sole owner of the '792 patent and has the right to enforce and recover damages for infringement of the '792 patent.

14. In an improper attempt to unlawfully profit from the goodwill and charitable missions of COMFORT RESEARCH, ACE has begun selling a chair that infringes COMFORT RESEARCH's intellectual property in direct violation of The Federal Patent Act.

15. As the side-by-side comparisons shown below reveal, ACE has misappropriated COMFORT RESEARCH's chair design in the accused product.

18. Infringement of the '792 patent by ACE has caused, and will continue to cause, COMFORT RESEARCH to suffer damages, including, but not limited to, lost sales, lost profits, lost royalties and/or price erosion in an amount to be determined by the trier of fact.

19. Unless restrained and enjoined by this Court, ACE will continue to infringe the '792 patent, resulting in substantial, continuing and irreparable damages to COMFORT RESEARCH.
